Calling All Graduates

High School - College - Post Graduate

We are recognizing all of our graduates at the June 1 worship service. If you are a graduate, or if there is a graduate in your family, please contact the church office at 570-586-6306 or Char Lyon at 570-222-5966 to be included.

It is time to spruce up the church building and grounds after a long, grimy winter. Can you help?

Our Spring Cleanup will be held on Saturday, May 10 beginning at 9:00 a.m. We are looking for friends who can help us tidy up the flower beds, rake away the leaves, scrub down the dirty places, and generally help our Building and Grounds committee to add some sparkle to our facility. We would love to have your help!

Enjoy God's World on a Bike

On May 31, Dick & Marie Cochrane will lead a bicycle trail ride on the Lehigh Gorge Trail. Starting in White Haven, we'll ride the twenty-six miles downhill to Jim Thorpe, where we will eat an early dinner, then hop a shuttle back to White Haven.

The cost is about \$20.00 for a shuttle and another \$20.00 if you need to rent a bike. Contact Dick or Marie at 587-3970.

From the Pastor

William G. Carter

Dear friends in Christ—

A few updates and news items for you as the flowers bloom:

1. On May 18, we welcome a new class of Elders and Deacons to provide leadership for our church. We are grateful for their willingness to serve. At our 10:00 service, we will ordain and install them for their church offices. Elders include Dick Cochrane, Judy Cutler, Frank Garnecki, Don Keen, Carole LaCoe, Diane Scheuer, with Jim McLaughlin filling in for a two-year term. Our Deacons will be Donna Kepler, Meg Hatch, Anne Deremer, Marsha Parrish, Jack Pitman, Laura Schillinger, Betty Keen, with Mary Parry filling in for a one-year term.
2. On that same day, we will commission a team of mission travelers to Haiti, who will go under the leadership of Dave Porter. You can read about this wonderful trip on page 8 of this newsletter. We are grateful for Dave's strong and compassionate leadership in reaching out to the people of Haiti. Be sure to read his article in this edition of the Presbyterian — and consider supporting this cause! Please pray for this mission team, too, that their work will be fruitful!
3. Through the month of May, I will be preaching and teaching through the Heidelberg Catechism, a 450-year-old affirmation of Christian faith that our church holds as a clear statement of what we believe. The Heidelberg Catechism is not merely a list of doctrinal questions and answers. It's not a cut-and-dried summary of what Christians believe. It is a deeply personal statement of faith and remarkably contemporary guide for every life. Join us for the weekly sermons—and consider joining us for the weekly class as one of our WAY offerings on Wednesdays.
4. Finally, our church was invited to submit a proposal to the Yale Institute of Sacred Music for their "Congregations" program. This is an outreach program that Yale undertakes to learn from local churches and to share the resources of the Institute of Sacred Music with them. Our proposal is entitled "Mending the Soul, Tapping the Foot: An Exploration of Jazz and Healing Liturgy," and will create four jazz vespers on Sunday afternoons next year that offer prayers for healing. For a week in mid-June, our project team (Connie Weiss, Susan Kelly, and me) will visit the Yale campus for a week of continuing education with the Institute staff.

Wishing you a spring full of spiritual strength and renewal,

Rev. Bill Carter

THE WAY

The Wednesday Adults and Youth Christian Education

“I am the WAY, the TRUTH, and the LIFE”

Supper, 5:45 * Gathering Time, 6:10 * Classes for all ages, 6:15

Last Wednesday of W.A.Y. classes is May 28. Classes resume again in September.

Spark (Newborns - 3 year olds) will enjoy Bible stories, songs and games in the nursery with teacher Linda Schuller and our caregivers Kaitlin Scappatura and Sondra Lionetti.

Power Xpress (4 year old - Grade 6) are divided into three age groups. **May 7: Easter: Peter's Story.** The Easter story tells us that Jesus loved Peter, forgave Peter for denying him and asked Peter to care for God's children. The story also tells us that Jesus loves us, forgives us and asks us to care for others. **May 14, 21 and 28: People Who Made A Difference.** Through the stories of people of faith we learn more about God. As people of faith we can respond to God and make a difference.

Junior/Senior High (Grades 7-12) meets in room 111 with Jana Schillinger and Charlie Pinches. This spring our youth will be digging deeper into some well-known Bible stories.

Talking About God Stuff (TAGS) - meets in room 206. **May 7, 14, 21 and 28 Body and Soul: What Do We Believe?** Led by Rev. Carter, we will explore these questions of faith: Who am I? What's wrong with the world? What's the purpose of my life? Why should I follow Jesus? How can I grow close to God?

Faith and Life - meets in room 210. **May 7 Addictions and Their Effects on Families.** Led by Josh Urso. Northeastern Pennsylvania is deeply affected by alcohol abuse, drug, addiction, and behaviors that are compulsive and destructive. Most of us know somebody whose life has been ravaged by drugs, alcohol, and gambling. How does this affect our families? What roles do we play in our family systems that may enable people to perpetuate addictions? Come and join in a conversation.

May 14 and 21 Coping With Differences, Conflicts, and Stress in the Family. Led by Barb Decker and Mandy Doria. Life in a family is not always easy. At times the challenges and difficulties leave us wondering where to go and what to do. During these two weeks, counselors from Marywood University will help us to understand healthy, positive ways to deal with the many differences, conflicts and stresses we experience inside the family.

May 28. Hunger. Join us as we discuss who in our area is going hungry, why they are going hungry and what we can do about this issue.

WE CAN ALL RECYCLE

As part of our Green Church initiative, the Earth Care Task Force asks you to please recycle at church as well as at home. There are recycle bins in the kitchen where you may place clean, recyclable items. From the Clarks Summit Borough website: ALL PLASTICS WITH A RECYCLING SYMBOL #1-7, ALMOST ANY PAPER PRODUCT, INCLUDING JUNK MAIL, MAGAZINES, OFFICE-GRADE PAPER, NEWSPAPERS, CORRUGATED CARDBOARD AND FOOD BOXES CAN BE RECYCLED TOGETHER!

CFL's (the new curly queue bulb) must be recycled. Now that most incandescent bulbs have been replaced by Compact Fluorescent Lights, how do you dispose of them when they burn out? Please be careful to not break the CFL's.

St. Francis of Assisi Kitchen

We continue to need two volunteers to work at the St. Francis of Assisi Kitchen on the last Tuesday of each month. We are grateful for the ongoing support that our church has shown for this worthy cause. In the words of Msgr. Joseph P. Kelly, executive director of the kitchen, "Thanks for hearing the 'Cry of the Poor'. Your support is a light in the Darkness of the plight of the poor." We encourage anyone who has not had the experience of helping serve a meal to the hungry to sign up, and bring a friend. The sign-up sheet is on the bulletin board in the hallway by the offices.

May Table Talk

The next Table Talk will be held on Sunday, May 11, after the morning worship service. The conversation will be led by Debbie Shane, a member of First Presbyterian and an elementary school nurse in the Abington Heights school district. The topic is "What is going on in our schools?" Please bring a cup of coffee and join us in the back of Fellowship Hall.

Medication Disposal

Have you been doing some Spring cleaning? Do you wonder how to safely dispose of unused medications you found in the back of the drawer? The South Abington Police Department is one of two in Lackawanna County that has a secure drop off container for unused medications. They ACCEPT prescriptions, prescription patches, prescription medications, prescription ointments, over-the-counter medications, vitamins, samples, and pet medications. NOT accepted are hydrogen peroxide, thermometers, needles (sharps), inhalers, aerosol cans, ointments, lotions and liquids, medications from clinics. Please remove any personal information/identification from the medication container.

Join us on May 18 for the blessing of our next delegation to Haiti

From May 19 to June 1, 2014, three Presbyterians and two videographers [Pat Henneforth, Stacey Trunk, Cassidy Evans, Justin Kraky, and David Porter] will be traveling to Haiti to collect footage for a documentary on the band 2 Rasin [which means "Two Roots" in English]. They will be documenting the band's social justice music, each band member's life and motivations, each band member's community involvements, and each band member's advocacies for the people of Haiti. Topics to be documented will include awareness of violence against women and children, the need for positive male behaviors toward women and children, positive parenting, protest of government neglect of its people, and more....

The team's experiences will surely cross over to many if not all initiatives we have supported to date including the NaSonje Women's Micro-Finance Program, the Partnerships for Local Development programming through Groundswell International, and we might even see Pastor Ciceron and his Rays of Hope School in Solino again. The intent, in solidarity with these Haitian friends, will be to enhance and expand their ability to spread their news of justice through the distribution of the final documentary or documentaries to churches, speakers' bureaus and other forums nationally and internationally.

The estimates for this kind of a project are expensive depending on quality and length. Much of this expense will be funded through volunteer in-kind support such as donated professional videography, graphic design, and digital media production. We welcome any support you are willing to offer. Please contact Dave Porter if you would like to help. Thank you.

The Stephen Ministry helps not only the care receivers but the Stephen Ministers as well. Here are some testimonials from Stephen Ministers from many walks of life. If you would like to know more about becoming a Stephen Minister, talk to one of our Stephen Leaders, John Conklin, Judy Cutler, or Rev. Bill Carter.

“Being a Stephen Minister is much bigger and better than just helping other people. It becomes part of you—it changes you for the better. My faith is stronger. I’ve learned to listen, care, pray aloud, and be more assertive. I love it! With God’s help I’ll continue to grow through this wonderful ministry.”

Doris, Cafeteria Assistant Jacksonville, North Carolina

“Stephen Minister training has given me skills I use all the time with my patients, particularly when they experience a crisis, large or small. It enables me to provide a level of emotional care that enhances the clinical care we provide.”

Barbara, Dental Hygienist Saginaw, Michigan

Blooming Button Flowers

For Mother's Day, add a special touch to any houseplant with this easy craft.

What you need:

- A small houseplant with leaves
- Colorful buttons of various sizes
- Green 26-gauge floral wire
- Wire cutters

What you do:

1. Stack three buttons from largest to smallest, with the smallest on top. Align the button holes.
2. Cut 8 inches of wire. Thread it up through one hole of the stacked buttons and back down through another hole.
3. Twist the wire just below the bottom side of the button stack to secure it.
4. Insert the "flower" in the plant's soil and repeat the process.
5. Present this to Mom and wish her a happy Mother's Day!

May is movie night for the book group as we wrap up our meetings for the summer. We will meet at Marie Cochrane's home on May 15th at 6:30 to watch "The Book Thief". We will also be looking at titles for the coming fall through next spring's reading. Come and join us and bring suggestions of books you would like to read and discuss.
